CHAPTER 1

INTRODUCTION

The God Bless Kenya Prayer Movement aims to bring together all Christian believers from across the entire spectrum of the Christian community so as to enable united prayer for the beloved nation of Kenya. It is spearheaded by the National Task Force, which is composed of some six founding members, who came up with the initial vision and action plan. The Nairobi County Task Force was formed late within the process so as to assist in managing the Nairobi County Dedication. This is because the National Task Force chose to begin by reaching all the other counties first, and then to conclude the outreach in Nairobi.

The Nairobi County Task Force was convened for the first time on 21 April 2011. After much prayer and work, by the grace of God alone, the team was able to put together the Nairobi County Dedication and the National Launch of the God Bless Kenya Prayer Movement on 7 May 2011 at Uhuru Park in Nairobi. This was of course a joint effort with the National Task Force, building upon the tremendously invaluable ground work that they had already covered, and working very closely together with them.

In preparation, the team was able to spend most of the day on 26 April 2011 at the Nairobi Pentecostal Church in prayer, and the whole night of 29 April 2011 at the Jesus Breakthrough Assembly in prayer. Most of the night of 6 May 2011 was also spent in prayer at the Christian Foundation Fellowship church. Other days of prayer and fasting were observed by the team.

Other notable activities included a Senior Clergy Prayer Breakfast held on 13 April 2011, and a Special Partnership Breakfast was held at the KICC on 4 May 2011. All these events helped to stir up the deep conviction that this initiative originated from God.

On 27 April 2011, this writer got what he found to be a very clear insight into Zephaniah 3:10 which says: "From beyond the rivers of Ethiopia, My worshipers, the daughter of my dispersed ones, shall bring my offering." The insights he got have to do with the qualities that a nation or a people must possess in order to fulfill that verse. This author holds that Kenya is uniquely positioned to fulfill that verse because of the following reasons:

- First, in order to fulfill that verse, the nation referred to must be "beyond the rivers of Ethiopia." In Bible days, that included at least a part of the region traversed by the River Nile, and rivers that are within its proximity. Kenya lies beyond that region.
- Second, the people referred to would have to be praying people, because the word translated "worshippers" or "suppliants" in some translations is a Hebrew word related to incense which is a biblical symbol for prayers (Rev. 5:8). The God Bless Kenya Prayer Movement is all about prayer!
- Third, the people referred to would have to be "a daughter of my dispersed ones," that is to have a special relationship with God's people, Israel. Kenya has always had a special relationship with Israel for example:
- Before 1948 when the state of Israel was reborn, strong consideration had been given to the idea of settling the Israelis within in a part of Kenya.
- Post-independence Kenya for some time had a cabinet minister of Israeli origin – the late Bruce McKenzie; somewhat indicative of a special relationship.
- During the 1970's Entebbe raid, Kenya facilitated Israel's rescue of her kidnapped people, clearly indicative of a special relationship.
- Years ago when countries were forced to sever diplomatic ties with Israel due to pressure from Arab oil exporting nations, on the day that the embargo was lifted, Kenya was among the first nations globally to reopen an Israeli embassy. This was a further demonstration of a special relationship.
- After the 1998 bomb blast tragedy, among the first nation to come in to help in rescue efforts was Israel, another sign of a special relationship.
- To fulfill Zephaniah 3:10, the praying people concerned would have to be in a position to jointly bring to God an offering. At present, the God Bless Kenya Prayer Movement is actually doing exactly that, by mobilizing people in all the 47 counties to dedicate them to God as an offering. Ultimately, the nation of Kenya will have been dedicated to God.

Without a doubt, only Kenya is able to fulfill *all* these elements of Zephaniah 3:10. Clearly, this is the *only* time in history when this verse has been able to be fulfilled in *all* the mentioned aspects! Consequently, we are immeasurably privileged to participate in the fulfillment of the biblical prophecy of Zeph. 3:10, to the glory of God! Truly, the National Launch of the God Bless Kenya Prayer Movement was a very significant biblical event!

CHAPTER 2

THE GOD BLESS KENYA NATIONAL LAUNCH

The National Launch of the God Bless Kenya Prayer Movement and the Nairobi County Dedication took place on 7 May 2011 at Uhuru Park in Nairobi after 3 months of prayers held in the Logistics center at Jesus Breakthrough Assembly where over 400 prayer ministries were mobilized along with all spiritual fathers and mothers in land with over 30,000 pastors. People began to arrive at the venue well before 10:00am when the ceremony was scheduled to commence. Most representatives from the other 46 counties had begun to arrive in Nairobi by Friday, 6 May 2011, and were therefore able to be at the venue before 10:00am. Nairobi Prayers were coordinated by Dr Luke, Ruth Kioko, Pst Nyangor and Apostle Mwabili.

In Uhuru Park the meeting was called to order not long after 10:00am, by Pastor Simon Mbevi. An opening prayer was made, and was followed by some songs of praise, and other prayers of personal repentance and dedication to God, as well as repentance on behalf of the nation of Kenya as a whole. Blessings also began to be pronounced upon the nation. The first speaker to address those present was Bishop Dr. Arthur Kitonga. He expressed gratitude to the organizers of the event, and acknowledged that God's approval could be sensed by believers. A notable contribution that he made was that years ago whilst in prayer in Mombasa, he received a divine vision of some special light coming upon the nation of Kenya. He told the people that during the time that he was speaking to them, again he saw that vision and he declared: "light has come back down to Kenya here today at Uhuru Park." This was a very encouraging expression to the people!

The chairman of the National Task Force, Missionary Hezron Wachira was the next speaker to address the people. He told about the background of how the God Bless Kenya Prayer Movement began, how the six man National Task Force came together, and the special role that was played by the Council of Elders of Nakuru. (Nakuru Church Elders Council)

First, he spoke about "the window of opportunity" that had come upon Kenya. He observed that the new constitution of Kenya provided a new system of governance and hence an opportunity to dedicate the new counties to God. Second, he mentioned that

Kenya would be undergoing a transition spiritually, nationally, and also in terms of a leader arising from a new generation, now that the last founding father of the nation would be completing his tenure in office soon. Third, he noted that the year 2013 would mark the 50th independence celebrations, or the jubilee for Kenya. He concluded that the above factors create a window of opportunity for Kenya, and that God desires to give to Kenya a new prophetic foundation.

He also outlined the activities planned for the day as follows:

- The National Launch of the God Bless Kenya Prayer Movement.
- The Dedication of the Nairobi County to God.
- The Flagging Off of the God Bless Kenya caravans to traverse the counties nationwide.
- He added that other activities that were to unfold included:
- The signing up of up to one million Kenyans to pray for Kenya. They are to commit themselves to fast and pray for Kenya one day a month for an entire year, beginning on 1 June 2011.
- A forty day fast is planned to run from 20 July to 28 August 2011, so as to address the perceived trend that is often portrayed by the media that the month of August has tended to be a "dark month" for Kenya. (characterized by the death of the first President, a vice president, a Cardinal, US Embassy bomb blast, Ngai-Ndethya train tragedy, Likoni ferry tragedy, etc)

He explained that these were among the core issues that the God Bless Kenya Prayer Movement sought to concentrate upon. He also called upon the people to join in these initiatives and to seize this special "window of opportunity" for Kenya.

Another speaker, Bishop Joseph Likavo, also emphasized the window of opportunity that Kenya had, that must not be missed. He then explained the importance of the idea of dedicating things to God, as exemplified in the dedication of items of worship in the Old Testament. He further explained the importance of dedicating nations to God. He gave examples of Haiti (which has suffered tremendously since the nation was dedicated to voodoo spirits 200 years ago) and of the Mizo people in India who had practiced the dedication of their regions to God. In Haiti the power of witchcraft has been broken, and in India the Mizo people ceased to practise human sacrifice, etc., and had experienced a sharp drop in crime, almost to the point of completely eliminating it! He added that they were now a missionary sending group out of such creative activities as simple as setting aside some rice each time that they cooked so as to give it to the church. This rice would then be sold so as to raise funds for missionary work!

Bishop Likavo stated that the act of dedication would yield great fruits for Kenya. He declared that it would bring about great economic benefits, the possible discovery of minerals in our land, the strengthening of the Kenya shilling, improved security, and an enabling environment for citizens to prosper in their activities. Thus, he strongly urged believers to take this initiative very seriously.

Shortly thereafter, a woman spontaneously made a prophetic utterance as follows: "Let your hearts be wise and on the right path. Kenya is in the hands of the church, and we cannot go on as we did in the past. We must go forward in love and humility. The Holy Spirit is grieving because He wants to bring revival, but the church is not ready. We need the spirit of unity; we need to be one and to humble ourselves as we go into the counties. We need to be wise to make our hearts right." She then prayed for forgiveness, wisdom, a future, and a sure hope for the people, among other things.

Other prayers were made for the dedication of the counties and the nation to God. One of them included Hon. Bishop Margaret Wanjiru leading in prayers of repentance. She particularly addressed the problem of tribalism through prayer. She called on a member of the Kalenjin community, of the Luo community, and she herself represented the Kikuyu community in bringing repentance for the respective pursuit of tribal sentiments to the level of causing trouble within the nation. She then expressed the need for godly leaders to be elected so as to steer Kenya in the right path.

CHAPTER 3

THE DEDICATION OF THE KENYA AND NAIROBI COUNTY HIGHLIGHTS

Dr Luke led processional was made to present each of the county representatives, after which prayers were made to dedicate the Nairobi County to God. After this, a bunch of 47 balloons tied together, each written upon it the name of the county that it represented were released into the air. Soils from the 47 counties brought by all delegates coordinated by Dr Luke Mwangi were prayed for by Apostle Harry Das and Altar for Both Nairobi County were unveiled which is at Jesus Breakthrough Assembly church a permanent one is to be build in Uhuru Park which also has name of all the counties that were dedicated surrounding the map of Kenya and a plaques of dedication that declares that the Kenya and all her counties , land and resources have been dedicated to God for this generations and future generations jointly done by all church leaders and government leaders unveiled by then the Vice President H.E Kalonzo Musyoka among many other government leaders.

Suddenly, something very interesting happened. The bunch of balloons flew upward until they got directly above the pole that was raised at the promulgation of the new constitution. They then went up vertically above the flag pole for some time, after which they moved on towards the direction of State House and kept rising until they disappeared from sight. This seemed to signify that the altar raised during these prayers was greater than that which was beneath the balloons, as raised during the promulgation ceremony for the new constitution. It seemed to be a sign that God was taking over the governance of the nation. Sis. Miriam Muhia shared that some scriptures were impressed on her heart during the prayers as follows:

And the seventh angel sounded. And there were great voices in Heaven, saying, the kingdoms of this world have become the kingdoms of our Lord, and of His Christ. And He will reign forever and ever. (Rev. 11:15)

For the LORD is our judge, the LORD is our lawgiver, the LORD is our king; He will save us. (Isaiah 33:22)

(A Psalm of David) – 1.The earth is the LORD's, and the fullness of it; the world, and those who dwell in it. 2 For He has founded it on the seas, and established it on the rivers. 3 Who shall go up into the hill of the LORD? Or who shall stand in His holy place? 4 He who has clean hands and a pure heart; who has not lifted up his soul to vanity, and has not sworn deceitfully. 5 He shall receive the blessing from the LORD, and righteousness from the God of his salvation. 6 This is the generation of those who seek Him, who seek your face, O God of Jacob. 7 Lift up your heads, O gates; and be lifted up, O everlasting doors; and the King of glory shall come in. 8 who is this King of glory? The LORD strong and mighty, the LORD mighty in battle. 9 Lift up your heads, O gates; even lift up, O everlasting doors; and the King of glory shall come in. 10 who is this King of glory? The LORD of hosts, He is the King of glory. (Psalm 24)

Plaques were unveiled and prayers were done in all 47 counties through county based prayers dubbed God Bless Mombasa County, God Bless Kilifi County, God Bless, Tana River County,

God Bless Lamu County, God Bless Taita–Taveta County , God Bless Garissa County,

God Bless Wajir County, God Bless Mandera County, God Bless Marsabit County, God Bless Isiolo County, God Bless Meru County, God Bless Tharaka-Nithi County, God Bless Embu County, God Bless Kitui County, God Bless Machakos County, God Bless Makueni County, God Bless Nyandarua County, God Bless Nyeri County, God Bless Kirinyaga County, God Bless Murang'a County, God Bless Kiambu County, God Bless Turkana County, God Bless West Pokot County, God Bless Samburu County, God Bless Trans-Nzoia County, God Bless Uasin Gishu County, God Bless Elgeyo-Marakwet County, God Bless Nandi County, God Bless Baringo County, God Bless Laikipia County, God Bless Nakuru County, God Bless Narok County, God Bless Kajiado County, God Bless Kericho County, God Bless Bomet County, God Bless Kakamega County, God Bless Vihiga County, God Bless Bungoma County, God Bless Busia County, God Bless Siaya County, God Bless Kisumu County, God Bless Homa Bay County, God Bless Migori County, God Bless Kisii County, God Bless Nyamira County. Overall, the sense of God's approval was very strong at this point as special prayers were made and a plaque was unveiled to commemorate the dedication of the Nairobi County.

CHAPTER 4

THE CARAVANS FLAG OFF

Finally, the caravans that were to traverse the counties were flagged off by the Registrar General after some prayers. This colorful ceremony concluded with the caravans doing a trip within the Central Business District (CBD), of Nairobi, pronouncing blessings upon the city and upon the nation! There was much joy and enthusiasm as some two huge trucks, several vans, and private vehicles went along some of the roads of the CBD pronouncing blessings upon the County and City of Nairobi. Members of the public responded in kind, speaking blessings upon Kenya, with chants of “God Bless Kenya” going on! The processional went up blessing both government offices and others, all the way from Uhuru Park to the Community area near the new High Courts building, then down Haile Selassie Avenue, into Parliament Road, along Harambee Avenue, onto Moi Avenue, University Way, Uhuru Highway, Kenyatta Avenue, and back to Uhuru Park. All institutions along those roads were blessed and by extension, blessing was being pronounced upon the entire County and City of Nairobi! Upon the return of the caravans to Uhuru Park, a moment of thanksgiving was observed by those who had done the trip around the CBD. A prophetic affirmation of God’s approval was given from the following passage:

Thereafter a concluding prayer of thanksgiving was led by Bro. Benson Nyang’or who has been chairman of the Nairobi County Task Force. After some joyful fellowship and camaraderie, people then departed at their leisure, giving glory to God!

CHAPTER 5

CONCLUSION

The occasion of the launch of the God Bless Kenya Prayer Movement, and the dedication of the county of Nairobi was thus a very inspiring event. Although the crowd of approximately 20,000 people seemed modest, the seriousness with which the occasion was handled spoke volumes. The agenda was prayer. The Bible says that “where two or three gather” in the name of the Lord, He is present with them. God’s presence was very manifest! There was fervency in the prayers for God to forgive the sins of Kenya and to bestow His blessings upon the people, the land, and the resources of the Nairobi County and the nation as a whole. It will take such simplicity and sincerity in prayer to cause more and more people to arise and to participate in such prayers for the nation.

The God Bless Kenya Prayer Movement seeks to encourage individuals, groups of people, and the masses at large to come to God in prayer at such a time as this. We as Kenyans must seize this window of opportunity to pray for our nation and to believe that God will bless our country if we humble ourselves, pray, seek God, turn from our wicked ways, and follow Him (2 Chronicles. 7:14).

God’s praying people in Kenya have indeed embarked upon the process that will culminate in the fulfillment of Zephaniah 3:10, as each county does its part to bring it to God in prayers of dedication. This is a time for every Kenyan to dedicate himself or herself to God afresh, so as to be a part of this offering that is being brought to God through the God Bless Kenya Prayer Movement. We must all seek to be obedient to God’s highest purposes for our lives as He reveals them to us. Surely, Zephaniah 3:10 is a great “window of opportunity” for God’s praying people! May God bless Kenya with unprecedented favor and blessings from this time forward and for the rest of the years to come, for the glory of God alone!

MENTORSHIP, EMPOWERMENT AND UNITY TO THE BODY OF CHRIST

Report and Newsletter

A word from the host - Dr. Luke Mwangi

I give Glory for the opportunity that he gave me to equip over 20,000 Bishops, Pastors and Church leaders in 30 regions through 210 towns impacting them in leadership skills, unity, ministerial dynamics and leading them to pray for Kenya in the first ever 40 days national prayer and fasting. Through Kenya festival, over 100 spiritual fathers and 25 ministries labouring in the body of Christ were honoured in a historic gathering Kenya Festival at Uhuru Park.

God showered us with rain to honour this deed thus we are now experiencing crime reduction and many other blessings. This event brought together over 60 fathers to minister in one meeting. Many have testified that this Historic meeting has brought forth transformation of their ministries and towns as you shall see in preceding pages. To God be the glory for the things He has done through us. Special appreciation to Jesus Breakthrough Assembly for their Generous and sacrificial giving and to all who gave, prayed, served, trained and supported this great event. I say God bless you so much.

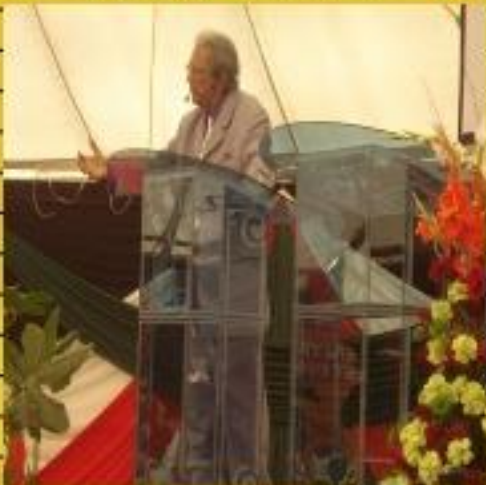

Spiritual Fathers and Mothers from across the country gathered to empower the Body of Christ and to be Honoured during the Historic Kenya Festival 2009, Hosted by Breakthrough Institute and Dr. Luke Mwangi at Uhuru Park, Nairobi held from September 14, to September 20, 2009.

JESUS BREAKTHROUGH ASSEMBLY

Honouring Kenya's Presidents and Prayer for Peace and the Disciplined Services

Jesus Breakthrough Assembly hosted the historic honour of three presidents and prayer for the disciplined forces on Saturday, February 16, 2013 at Uhuru Park, Nairobi.

The Bible commands us to honour those in authority, our national Fathers and Mothers. In this revelation, to tap the blessing of the land, we gathered to pray for Jubilee blessing and peacefull elections in Uhuru Park.

We honoured the First President of the Republic, H.E. Mzee Jomo Kenyatta and Mama Ngina Kenyatta, H.E. Daniel arap Moi and H.E. Mwai Kibaki to give the nation to access national blessing. We expressed honour with a plaque, emblem and a bible. We also had a historic prayer and commission for all the disciplined forces before deployment to the elections as commissioned by inspector general of police, Mr. David arap Kimaiyo.

Kenya is blessed because of honouring leaders and committing the police and armed forces to God.
